

EMERALD KEEPERS

For an Emerald Green, Ocean Blue Coronado

THANK YOU, CORONADO

As 2020 draws to a close and the promise of 2021 looms large, Emerald Keepers wishes to thank those who have given of their time, talent, and treasure to advance the mission of a sustainable Coronado. Whether picking up trash along our beaches or across town; making better choices for the health of our town and planet; or joining in efforts to educate themselves and others — Emerald Keepers thanks you for being willing to lead the change you wish to see to protect our environment.

Thank you to our partners who have worked closely with us over the past year... in particular our Emerald Green, Ocean Blue Restaurants and other Businesses who committed — despite the pandemic — to more sustainable practices and products. A special thank you to all who signed the Emerald Keepers' Pledge. An even bigger thank you to those who adopted no less than 30 sustainable practices in their daily lives. In doing so, they earned a quintessential and iconic recognition: a hand-made Emerald Keepers placard of a sea turtle emblazoned on repurposed wood. And finally, a warm thank you to the below individuals who donated generously to further the Emerald Keepers message and mission.

Happy 2021, Coronado!
