

# EMERALD KEEPERS

For an Emerald Green, Ocean Blue Coronado

# PROJECT GRATITUDE

ROCIO BUNKER

Emerald Keepers invited local photographers to share a photo that expresses their gratitude for the beauty of Coronado. We think you will agree, their images are stunning. Emerald Keepers invites you to take a moment for gratitude each day. It centers our hearts and minds and puts life into perspective. This month, we celebrate our Emerald City and remind ourselves of our responsibility to take action to protect her.

*Thank you to our local photographers!*
