

# EMERALD KEEPERS

For an Emerald Green, Ocean Blue Coronado

## WE KNOW YOU'LL WANT THIS STICKER...

**Emerald Keepers and Coronado Coffee Company are partnering for an Emerald Green, Ocean Blue Coronado!**

### DID YOU KNOW?

The coffee industry is responsible for **16 billion cups** thrown away every year? That's **1,826,460 cups** an hour!

**Emerald Keepers and Coronado Coffee Co. want to help change this!**

### HERE'S THE DEAL:

Purchase an **Emerald Keepers sticker** for \$5 at the coffee cart at the Ferry Landing.

Put it on your favorite reusable cup.

Receive **5% off** your drink every time you bring your reusable cup with the sticker. That's about 20 cents savings a cup!

All sticker proceeds for this pilot program go toward purchasing more sustainable products for those who have not yet joined the sustainable tsunami and don't bring a reusable cup.
